

Public Disclosure Copy

Form 990PF

Public Inspection Requirement

An exempt organization must make available for public inspection, upon request and without charge, a copy of its original and amended annual information returns. Each information return must be made available from the date it is required to be filed (determined without regard to any extensions), or is actually filed, whichever is later. An original return does not have to be made available if more than 3 years have passed from the date the return was required to be filed (including any extensions) or was filed, whichever is later. An amended return does not have to be made available if more than 3 years have passed from the date it was filed.

An annual information return includes an exact copy of the return and amended return, if any, and all schedules, attachments, and supporting documents filed with the IRS.

For returns filed by Section 501(c)(3) organizations after August 17, 2006, Form 990-T must also be made available for public inspection. However, only those schedules, statements, and attachments to Form 990-T that relate to the imposition of the unrelated business income tax must be made available for public inspection.

This copy of the return is provided only for Public Disclosure purposes. Any schedules or attachments to Form 990-T that do not relate to the calculation of unrelated business income tax have been removed.

NOTE: Plante Moran provides a "public disclosure" copy of Forms 990 and 990-T, these forms are also available via Guidestar, www.guidestar.org. Included below is a description of the public disclosure requirements provided by the IRS on their website, www.irs.gov. If you have questions about these requirements, please contact your Plante Moran representative.

Exempt Organizations - Documents Subject to Public Disclosure

What tax documents must an exempt organization make available for public inspection and copying?

An exempt organization must make available for public inspection its exemption application. An exemption application includes the [Form 1023](#) (for organizations recognized as exempt under § 501(c)(3)), [Form 1024](#) (for organizations recognized as exempt under most other paragraphs of § 501(c)), or the letter submitted under the paragraphs for which no form is prescribed, together with supporting documents and any letter or document issued by the IRS concerning the application. A political organization exempt from taxation under § 527(a) must make available for public inspection and copying its [notice of status](#), Form 8871.

In addition, an exempt organization must make available for public inspection and copying its annual return. Such returns include [Form 990](#), *Return of Organization Exempt From Income Tax*, [Form 990-EZ](#), *Short Form Return of Organization Exempt From Income Tax*, [Form 990-PF](#), *Return of Private Foundation*, [Form 990-BL](#), *Information and Initial Excise Tax Return for Black Lung Benefit Trusts and Certain Related Persons*, and the [Form 1065](#), *U.S. Partnership Return of Income*.

An organization exempt under § 501(c)(3) must make available for public inspection and copying any [Form 990-T](#), *Exempt Organization Business Income Tax Return*, filed after August 17, 2006. Returns must be available for a three-year period beginning with the due date of the return (including any extension of time for filing). For this purpose, the return includes any schedules, attachments, or supporting documents that relate to the imposition of tax on the unrelated business income of the charity. See [Public Inspection and Disclosure of Form 990-T](#) for more information.

An exempt organization is not required to disclose [Schedule K-1 of Form 1065](#) or Schedule A of [Form 990-BL](#). With the exception of private foundations, an exempt organization is not required to disclose the name and address of any contributor to the organization.

A political organization exempt from taxation under § 527(a) must make available for inspection and copying its report of contributions and expenditures on [Form 8872](#), *Political Organization Report of Contributions and Expenditures*. However, such organization is not required to make available its return on [Form 1120-POL](#), *U.S. Income Tax Return for Certain Political Organizations*.

Public Inspection and Disclosure of Form 990-T

The IRS has provided interim guidance on the requirement that section 501(c)(3) organizations (*charities*) make available for public inspection Forms 990-T, *Exempt Organization Business Income Tax Return*. [Notice 2008-49](#) provides as follows:

- Guidelines in Treas. Reg. § 301.6104(d)-1 and [Notice 2007-45](#), for making annual returns available for inspection and copying generally continue to apply, except that a return covered by the guidelines includes an exact copy of a Form 990-T filed by a charity after August 17, 2006. The return also includes any schedules, attachments, and supporting documents that relate to the imposition of tax on the unrelated business income of the charity. Schedules, attachments and supporting documents that do not relate to the imposition of the unrelated business income tax do not have to be made available for inspection and copying.
- A charity must make Form 990-T available only for the three years beginning on the last day (including extensions) for filing the return.
- The IRS now must make Forms 990-T filed by charities publicly available; [Announcement 2008-21](#) sets forth procedures for requesting Forms 990-T from the IRS.

The IRS and Treasury Department invite comments on implementation of the new public inspection requirement for Form 990-T, including what schedules or attachments should not be available for public inspection when attached to Form 990-T. See section 4 of Notice 2008-49 for additional information.

Some prices, current values and income estimates may be approximations, resulting in gains and losses not being accurately reflected. Unrealized gains and/or losses are computed from the supplied cost basis data and may not be accurate for tax reporting purposes. Items for which a cost basis was not available as of the statement period ending date are indicated by the symbol N/A. The total gains and/or losses do not reflect positions which we do not have cost information. Please contact your Financial Advisor if you believe any cost basis related data is inaccurate or if you require additional information.

Estimated Annual Income ("EAI") and Estimated Yield ("EY") are estimates only and do not indicate actual income or performance of investments. EAI and EY for certain types of securities could include a return of principal.

gains, in which case the EAI and EY would be overstated. As EAI and EY are estimates, the actual income and yield might be lower or higher than the estimated amount.
